We are our committed to keeping our online journalism open and available to as many readers as possible. To do that, we need your help.

Every time you read a story on NCRonline.org, you are joining hundreds of thousands of readers who visit our site regularly. While reading the news may seem like a solitary activity, you are, in fact, part of a growing digital community of readers who rely on NCR for news, analysis, editorials and spiritual reflection.

We are jointly writing this message to you, as part of this community, to affirm our commitment to keeping our online journalism open and available to as many readers as possible. To do that, we need your help.

Today we introduce **NCR Forward**, our digital membership program for our online community. We invite you to help us keep NCR's content open and available by [becoming a member for as little as \\$5 a month](#).

Members will receive behind-the-scenes stories, exclusive content updates, opportunities to weigh in on newsroom topics and invitations to NCR events. **These**

benefits are available only to members of NCR Forward.

We need the support of our online readers — \$5 a month or more — to continue to bring you the news, day in and out. Digital technology presents exciting opportunities to reach new audiences around the world, but providing the content is expensive. Traditional subscriptions and advertising revenues simply do not cover all our costs.
