A quote from Pope Francis:

"God expects something from you. Have you understood this? God expects something from you, God wants something from you. God hopes in you. God comes to break down all our fences. He comes to open the doors of our lives, our dreams, our ways of seeing things. God comes to break open everything that keeps you closed in. He is encouraging you to dream. He wants to make you see that, with you, the world can be different. For the fact is, unless you offer the best of yourselves, the world will never be different."
