A quote from Pope Francis:

"May a new season finally begin, in which the globalised world can become a family of peoples. May we carry out our responsibility of building an authentic peace, attentive to the real needs of individuals and peoples, capable of preventing conflicts through a cooperation that triumphs over hate and overcomes barriers through encounter and dialogue. Nothing is lost when we effectively enter into dialogue. Nothing is impossible if we turn to God in prayer. Everyone can be an artisan of peace."

— Address for the World Day of Prayer for Peace, Assisi, Sept. 20, 2016
